Biography

Brett Johnson's background

Mr Johnson built and was leader of ShadowCrew, the precursor to today's darknet markets. He was instrumental in developing many areas of online fraud while helping design, implement, and refine modern Identity Theft, Account Take Over Fraud, Card Not Present Fraud, IRS Tax Fraud, and countless other social engineering attacks, breaches, and hacking operations.

Upon his capture, the United States Secret Service hired Mr Johnson to work as a consultant and informant. Johnson worked with the Secret Service for several months before going on a cross country crime spree, being placed on the US Most Wanted List, being captured again, sent to prison, escaping prison, being captured yet again, and finally accepting responsibility for his actions.

Working with Brett Johnson

Today, Brett works as a security consultant and public speaker. He has worked with groups such as the FBI, Microsoft, eMailage, NextCaller, IDology, AARP, BBWest, TIB, The ACFE, The Card Not Present Group, The Identity Theft Resource Council, PRO, Universities, and many others.

Brett has been featured on numerous media outlets, most recently NBC, CNN Money, ArsTechnica, The Independent, and more.
