Biography

Meet Daniel Chappell

Daniel Chappell is a dynamic entrepreneur who is transforming the health and wellbeing industry through his innovative thinking and strong leadership. With a strong academic background, Daniel spent over a decade working in high performance sporting environments.

Currently the Co-founder of UNTIL, Daniel spearheads a ground-breaking concept that is revolutionizing the traditional health and wellness landscape. UNTIL stands out as the first-of-its-kind disruptor, empowering freelance health, wellness, and medical professionals to unleash their full potential.

Daniel's visionary approach and real-world experiences have positioned UNTIL as a necessary force for change in an industry ripe for innovation.

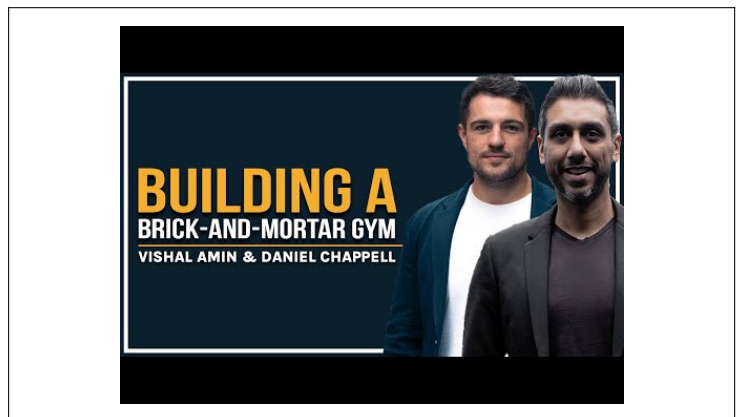

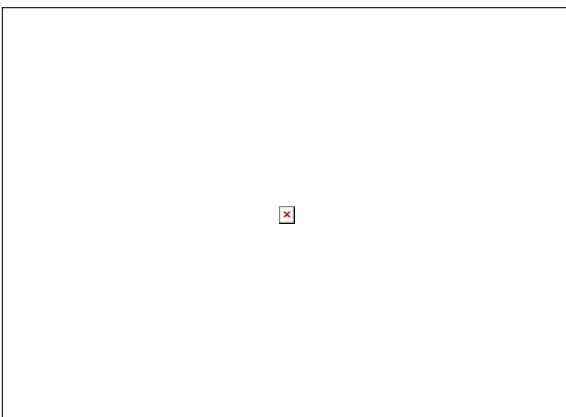

Notably, UNTIL has gained the support of Steven Bartlett, the newest dragon on Dragons' Den and the UK's most prolific entrepreneur, who has joined Daniel as an investor and fellow Co-founder. This strategic partnership has elevated UNTIL to new heights, signalling a material transformation in the health and wellbeing space.

Drawing on a wealth of experience accumulated over more than a decade in high-performance sporting environments around the world, Daniel has honed the skills necessary to cultivate a winning mentality and foster team cultures that drive success. His journey from the world of sports science to entrepreneurship reflects a commitment to pushing boundaries and challenging the status quo.

Daniel's current endeavours prove all the more aspirational when understanding his struggles with Dyslexia and dyspraxia. However, rather than let it hinder his progress and stand as an obstacle, he would understand it, learn from it and use it as a tool to further his success.

As a rising star in the entrepreneurial landscape, Daniel continues to inspire audiences with his unique blend of expertise, passion, and forward-thinking vision. With UNTIL at the forefront of reshaping the health and wellbeing industry, Daniel is undeniably a trailblazer dedicated to making a lasting impact on the way we approach our collective wellness.
