Biography Highlights

- “The advance of freedom is the calling of our time; it is the calling of our country.” – George W. Bush

Biography

President during a momentous period in American history, George W. Bush offers his thoughts on eight years in the Oval Office, the challenges facing our nation in the 21st century, and the power of freedom.

George W. Bush served as 43rd President of the United States of America from 2001 to 2009. As Commander in Chief, President Bush worked to expand freedom, opportunity, and security at home and abroad. His Administration reformed America’s education system, restored robust private-sector economic growth and job creation, protected our environment, and pursued a comprehensive strategy to keep America safe after the terrorist attacks on September 11, 2001.

After the Presidency, President Bush and former First Lady Laura Bush founded the George W. Bush Presidential Center in Dallas, Texas. The Bush Center is home to the George W. Bush Presidential Library and Museum and the George W. Bush Institute, a nonpartisan public policy and

leadership development.

President Bush is the author of four bestselling books: *Decision Points* (2010), *41: A Portrait of My Father* (2014), *Portraits of Courage: A Commander in Chief's Tribute to America's Warriors* (2017), and *Out of Many, One: Portraits of America's Immigrants* (2021). He and Laura are the parents of twin daughters: Barbara, married to Craig Coyne, and Jenna, married to Henry Hager. The Bushes also are the proud grandparents of Margaret Laura "Mila", Poppy Louise, Henry Harold "Hal" Hager, and Cora Georgia Coyne.

An Exclusive Conversation with President George W. Bush

The Challenges Facing Our Nation in the 21st Century and the Power of Freedom.

Available: In person, Virtually

Testimonials

“

President Bush captivated our audience with his down-to-earth conversational style. It was interesting to hear him speak about a variety of topics: his years as President, his interaction with foreign leaders, his management style. The President and his staff were great to work with and we received glowing feedback about his session.

Non-Profit

“

The event could NOT have gone better! President Bush was great. The event was great. EVERYONE loved it.

Non-Profit

“

George Bush was a home run — right out of the park. He was, perhaps, the best general session speaker we have ever had. He was fantastic.

Food

“

All I can say is WOW. People are still sharing stories of something that George W. Bush said that resonated with them or inspired them.

Fraternal/Membership Organization

“

Everything was great! Our people said that George W. Bush was the best speaker we have had. There was a lot of positive feedback.

Portraits of Courage: A Commander in Chief's Tribute to America's Warriors

Growing out of President Bush's own outreach and the ongoing work of the George W. Bush Institute's Military Service Initiative, *Portraits of Courage* brings together sixty-six full-color portraits and a four-panel mural painted by President Bush of members of the United States military who have served our nation with honor since 9/11—and whom he has come to know personally. Our men and women in uniform have faced down enemies, liberated millions, and in doing so showed the true compassion of our nation. Often, they return home with injuries—both visible and invisible—that intensify the challenges of transitioning into civilian life. In addition to these burdens, research shows a civilian-military divide. Seventy-one percent of Americans say they have little understanding of the issues facing veterans, and veterans agree: eighty-four percent say that the public has "little awareness" of the issues facing them and their families. Each painting in this meticulously produced hardcover volume is accompanied by the inspiring story of the veteran depicted, written by the President. Readers can see the faces of those who answered the nation's call and learn from their bravery on the battlefield, their journeys to recovery, and the continued leadership and contributions they are making as civilians. It is President Bush's desire that these stories of courage and resilience will honor our men and women in uniform, highlight their family and caregivers who bear the burden of their sacrifice, and help Americans understand how we can support our veterans and empower them to succeed.

A Portrait of My Father

Forty-three men have served as President of the United States. Countless books have been written about them. But never before has a President told the story of his father, another President, through his own eyes and in his own words. A unique and intimate biography, the book covers the entire scope of the elder President Bush's life and career, including his service in the Pacific during World War II, his pioneering work in the Texas oil business, and his political rise as a Congressman, U.S. Representative to China and the United Nations, CIA Director, Vice President, and President. The book shines new light on both the accomplished statesman and the warm, decent man known best by his family. In addition, George W. Bush discusses his father's influence on him throughout his own life, from his childhood in West Texas to his early campaign trips with his father, and from his decision to go into politics to his own two-term Presidency.

Decision Points

Decision Points is the extraordinary memoir of America's 43rd president. Shattering the conventions of political autobiography, George W. Bush offers a strikingly candid journey through the defining decisions of his life. In gripping, never-before-heard detail, President George W. Bush brings readers inside the Texas Governor's Mansion on the night of the hotly contested 2000 election; aboard Air Force One on September 11, in the hours after America's most devastating attack since Pearl Harbour; at the head of the table in the Situation Room in the moments before launching the war in Iraq; and behind the Oval Office desk for his historic and controversial decisions on the financial crisis, Hurricane Katrina, Afghanistan, Iran, and other issues that have shaped the first decade of the 21st century. President Bush writes honestly and directly about his flaws and mistakes, as well as his accomplishments reforming education, treating HIV/AIDS in Africa, and safeguarding the country amid chilling warnings of additional terrorist attacks. He also offers intimate new details on his decision to quit drinking, discovery of faith, and relationship with his family. A groundbreaking new brand of memoir, Decision Points will captivate supporters, surprise critics, and change perspectives on one of the most consequential eras in American history - and the man at the centre of events.
