## Biography

### Jose Ucar's background

Born in Venezuela, at the age of 5 Jose knew what he wanted. He dreamed of travelling the world and becoming international.

Before turning 17 he moved to Sweden for a year as an exchange student, where his international speaking career started shaping up.

Jose had always been fascinated by the beauty and mystery of different cultures. This curiosity led him to study and work in multiple countries

across 4 continents, which gave him a unique perspective on cross-cultural communication and most importantly, human connections.

Featured on Yahoo Finance and Yahoo News as one of the Top Ten Public Speaking Coaches. Some of his articles have been featured on Mentors, Thrive Global, LA Weekly, Disrupt Magazine and The Influencer Age.

Jose is a global TEDx speaker, curator and host, NLP master trainer, international business, marketing specialist and founder of Jose Ucar Coaching, where he helps employees, CEOs, entrepreneurs, and executive teams to deliver stunning presentations where the stakes are high and to communicate with impact and confidence in cross-cultural environments.

His clients include Procter & Gamble, SEAT and CUPRA (Both part of the Volkswagen Group), DAF Trucks, UK Research and Innovation, Sabio Group, Sports Work, The European Bank for Reconstruction and Development, The NHS, and General Assembly, to name a few.

He also has a growing community of over 40 thousand online students, with his signature World-Class Communicator Online Training Course being an amazing source of knowledge to give students the skills and techniques to communicate and present with impact and confidence in any environment.

Jose works virtually, face-to-face, and is more than happy to travel across the world to elevate and transform the audience at your next conference or event.

## **Global Influence: Simplify improve and amplify your international leadership impact**

What makes a leader influential on a global scale? What does it mean to communicate effectively across borders, cultures, languages, and accents, and how do you master this complex art? If you are asking yourself some of these questions, then this book is for you. Jose Ucar explains the key obstacles that leaders face when trying to communicate effectively across international borders. Fear is identified as a primary factor, along with our desire to fit in, which can compromise authenticity and make communication less effective.
