Biography

Meet Loris Spinelli

Loris Spinelli, a formidable force in the world of motorsports, is an Italian racing sensation who has enthralled fans with his remarkable talent and passion. From his early years dominating the go-kart circuits of Italy to conquering prestigious championships across Europe, Loris has established himself as a true driving prodigy.

Beginning his racing journey at the tender age of 5, Loris quickly made his mark on the Italian circuits with his exceptional skills in go-karts. As an official driver for renowned manufacturers, he soared to great heights, competing in some of the most revered championships in Europe. In 2011, Loris achieved the pinnacle of success by becoming the world champion on the international circuit of Naples, triumphing in both European and single-make championships in the shifter category.

In 2015, Loris experienced a significant transition from go-karts to race

cars as he ventured into the fiercely competitive Lamborghini Super Trofeo series. This marked a turning point in his career, as he showcased his extraordinary talent and clinched victories in numerous races. In 2017, he ascended to new heights by securing the prestigious European championship in the PRO category, further solidifying his status as a force to be reckoned with.

The following year, Loris continued to dominate the Super Trofeo series, triumphing in both Europe and America. He displayed unparalleled skill and determination, emerging as the champion in both championships and capturing the coveted world finals title at the renowned Vallelunga circuit. In a remarkable feat, Loris expanded his horizons by venturing into endurance racing, competing in iconic races such as the 24 Hours of Daytona, the 12 Hours of Sebring, and the 24 Hours of Spa-Francorchamps, leaving an indelible mark on the motorsport world. With an unwavering commitment to excellence, Loris continued to achieve impressive results, representing both Lamborghini and Mercedes brands across Europe. His dedication and relentless pursuit of victory yielded positive outcomes, further cementing his reputation as a remarkable driver. In 2021 and 2022, Loris embarked on an exciting journey to America, racing in the Lamborghini Super Trofeo series with the Taurino team in the highly competitive PRO category. Additionally, he showcased his skills in the GT World Challenge Championship, representing the illustrious Mercedes brand.
