Biography

"We've got some big ambitions and some massive challenges. If I can't get my top team performing, we'll never do it".

"We talk about teamwork and collaboration, but the truth is, we have silos and people pulling against each other. How do we get people working together?".

"We've risen to number two in the world. How do we get to number one?".

"The big problem is, we need a step change in mindset. We need to start thinking like winners... like champions!".

“We’ve got a bunch of really good people that are overwhelmed and stressed. What we need is a highly focused team, firing on all cylinders”.

“We talk a lot about values, culture and empowering people, but if I’m honest, we don’t really do it. Until now, we’ve been getting away with it, but we need to start making it happen... and fast!”.

“We’re light on leadership. We have enough managers, but we need more genuine leaders”.

“How do we keep winning? Not once, but year after year after year? That’s the holy grail for me!”.

Does any of this sound familiar?

If so, Simon Hartley can help.

He is a globally renowned sport psychology consultant and world class performance coach. For almost 30 years, he has been driven performance at the highest level of sport – English Premier League, Bundesliga, international rugby and cricket, Formula One and the G.B. Olympic programmes. In total, the teams and athletes I’ve worked with have amassed well over 40 world championships and world records.

During the last 20 years, he has brought his experience to business, driving personal transformations and building world-leading teams. Simon provides unique insights and a “behind the curtain” view into world class organisations and elite sports teams. He shares lessons he’s learned from Formula One pit crews and Americas Cup sailing crews. He also shares the winning strategies power their success, such as the ‘Hire Great People’ strategy he uses with teams like FC Bayern Munich, and the winning mindset approaches that he shares with international rugby teams such as England Rugby League and Fiji Rugby 7s.

Through a masterful blend of his engaging style with enormous credibility, profound insights and tangible take aways, Simon creates immeasurable and long-lasting impact with his audiences.

Simon's Topics

World Class Teams.

Simon shares the essential ingredients of world class teams, and teams who are exceptionally good at operating in volatile environment and navigating the unknown. He gives tangible, practical take aways, drawing on examples of world class teams from diverse fields of endeavour, including the very highest levels of sport.

This session is perfect for Leadership Conferences where organisations need to foster greater teamwork and collaboration.

Available: In person, Virtually

From Good to Great to World Class.

Much of Simon's work comes from organisations who are already great but aspire to become the very best. In some cases, they are already the best and want to extend the gap between them and their closest competitors. Simon shares the critical changes in mindset, leadership and teamwork that enable organisations to elevate from good, to great, to world class.

This session is perfect for Leadership Conferences with ambitious organisations who want to create a step change.

Available: In person, Virtually

Winning Mindset.

Simon shares the key ingredients of a winning mindset and how to instil it across organisations and build it into the fabric of their culture. As always, he provides tangible, practical take-aways that enable people develop a performance mindset and help leaders embed it within their teams.

This session is perfect for Leadership and Sales Conferences for organisations with challenging conditions, significant demands and with highly ambitious targets.

Testimonials

“

I had the pleasure of hosting an event where Simon World Class” was nothing short of phenomenal.

Marlon Oliver
Senior Vice President
Flexera

“

Speaking from experience and with the evidence to prove it, we found that Simon’s process not only works but it changes the whole culture of the business.

James Roach
Managing Director
Headstar

“

WOW. We had Simon booked to deliver two keynotes to 60+ VIP clients and guests and he certainly did not disappoint.

All our clients are experiencing challenges around team retention and recruitment and therefore Simon was a great fit. “How to hire on character” and “How to build a world class team” gave everybody tremendous insight into how to change good into great.

The feedback was fantastic.

If you are looking for a speaker to support you and your team, Simon is the man to support you.

Gary
CEO
Tendo

“

Simon Hartley – simply world class.

Mark Dixon

CEO
Rubix

“

Simon has a wealth of knowledge and experience supported by his love for sport and performance. He uses this to deliver programs that are tailored to the needs of the people/teams/organisations he works with.

It was a pleasure to work with Simon and I highly recommend seeking Simon's expertise for your organisation or team. You will see the difference and benefits.

Ben Gollings

Head Coach
World Cup winning Fiji rugby 7s
